

Change tile size

Step-by-step instructions for Change tile size in Express Me.

Watch the video, follow the steps, or open the complete transcript for a text version of the instructions.

Step-by-step instructions

1

Open tile size settings

Go to **Settings** and scroll down until you find the **Tile size** option.

2

Choose a tile size

Select a size, such as **Small** or **Large**.

3

View the result

Return to the home screen to see the result. With **Small**, more tiles fit on the screen.

I'm going to show you how to adjust the size of the tiles (the images) in the app.

To begin, go to settings. Scroll down until you find the tile size option. Here you can choose between different sizes, like small or large tiles.

Let's say you select small tiles: when you return to the home screen, you'll immediately see the result. The tiles are now smaller, allowing more tiles to fit on the screen.

Try it out yourself and let us know what you think of this feature!
