I'll show you how to adjust the text size of the tiles in the app.

To do this, first go to settings via the button in the top right corner of the app. Then scroll down a bit until you see the text size option.

Here you can choose between different options like large letters or small letters. When you've made your choice and return to the home screen, you'll see that the text size of the tiles has been adjusted according to your selection.
